Busy Kentones pick up some silver

At a Music Festival at the Whitgift School in Croydon, The Kentones came first in their class and collected the cup for 2005.

It may have been noticed at Brighton that the Kentones notched up three places to 11th Place. Credit should go to everyone involved in the recruitment and training of our new singers, which have increased the chorus by 20% with lots of young, enthusiastic faces. The recruitment campaign, which was launched last year by Geoff Mountney, proved a great success at moderate costs. Details from Geoff 01634 891712
